2. A word about Vastushastra:-

Vastushastra is a metaphysical science that deals in synchronizing five elements with eight directions. It also takes into consideration the effect of gravitational force, electromagnetic force, and universal energies along with cosmic energies on human life. Accordingly development of residential, commercial, industrial premises to get best effect of natural energy forces makes human life more comfortable, happy, prosperous, healthy and peaceful.

Vastushastra services includes selection of new vastu, neutralizing vastu defects of existing premises without structural demolition and planning designing of new projects. In short Vastushastra consultancy and teaching are main career opportunities available in this field.

3. Pen-drive based Vastushastra Education:-

Vastushastra Education Research Foundation (VERF) popularly known as “Vasturaviraj” is the premiere institute of this nation providing completely scientific and highly extensive theoretical knowledge along with practical training in Vastushastra. With hundreds of case studies, project reports, assignments and complete comprehensive knowledge about remedial measures of non-structural demolition, this is a unique course.

We at Vasturaviraj Group are constantly improving upon the existing system procedures simultaneously introducing new and innovating ideas so as to fulfill aspirations of Clients, Students and Stake holders. The latest development in series is that we have decided to introduce Pen Drive based system for imparting Vastu Education which will enable students located at far-flung areas to learn Vastu Education at home with comfort and they need not undertake arduous travelling to reach a designated training center under normal scheme of imparting Vastu Training. The proposed Pen Drive based Vastu Education scheme has the same curriculum and it does not differ as regards contents of the traditional scheme. Vastu Education at Students doorstep has been the driving force behind the proposed scheme. The operational features are given hereunder-

No. of lectures: In all 26 lectures. 20 lectures through Pen Drive based system and remaining 6 lectures which are dedicated to Remedies will be conducted at a designated Centre Region wise. This will be advised well in advance.

4. Silent Features:-
